

## Care Kits

Essential hygiene Care Kits are included in Care Packages sent to soldiers, sailors, airmen and marines deployed overseas and to veterans, first responders, and wounded warriors.

**Participants are asked to follow the safe-at-home order by shopping for these items online, NO shopping in person please.**

Choose between the two care kit options, decide how many you want to make, purchase all 4 items, assemble the care kits, track your hours, take a picture to show scoutmaster how many kits you made, follow specific instructions to mail them to Operation Gratitude, ask scoutmaster to sign off on your community service hours. Keep your receipts and picture of project for tax purposes, Operation Gratitude is a 501(c)(3) non-profit, volunteer-based corporation, funded entirely by private donations.

**The items in these care kits have been selected from Operation Gratitude and they ask us to follow their request of items, please do not create your own kits.** They need to have the 4 items mentioned, pay attention to size restriction in red but any brand is ok. Be sure to buy enough of each item to assemble the number of kits you want to donate.
