

TROOP 57 June 2016

NEWSLETTER

Sometimes as parents of Scouts our boys are not always the best on communicating to us how we are needed in the troop. From volunteering to go on a trip or camp out. To open adult positions in the Troop. All thou Troop 57 is a boy lead troop, we need to have adults around to help. To help to inform families of important information. We will publish a newsletter to be given out. If you have not signed up on Scout Lander then please see a leader to do so, this is another source for information.

ADULT TRAINING

YPT (Youth Protection Training) will be offered in-house in the fall and it is available for not only registered adults, but also for non-registered adults who could be working with our youth. Ask how you also can do at home on your computer.

Many Hands Make **LIGHT Work**

Please remind your boys that everyone needs to stay after Troop meeting to put the room back the way the church had it. If everyone helps it gets done a lot faster. Thank you.
